

## Staffing and Supervision

### Supervision

Camp is supervised by our Raise the Bar Director Bradley LaRocque and Raise the Bar Counselors.

### Our Right Fit Staff

Our 3C staff undergoes a training program which will equip them with the basics of behavior management, disability awareness, and most importantly how to provide each camper a fun and happy experience at camp. We have a high-staff-to-camper ratio.

Join us as we provide experiences that are never forgotten!
